 - ENTHUSIASTIC ABOUT LEARNING NEW THINGS AND STAYING UPDATED WITH THE DIGITAL LANDSCAPE
 - WORK UNDER SUPERVISION AND INDEPENDENTLY WITH NO ISSUES
-

EXPERIENCE

2023-Present **FULL STACK DEVELOPER** Remote,FL

Freelance Full Stack Developer

- Utilized Node.js and Express.js frameworks for optimized server-side rendering and RESTful API calls.
- Ensured website responsiveness and usability across different screen sizes, providing a seamless user experience on desktops, tablets, and mobile devices.
- Incorporated React libraries such as React Icons, React Toastify, and React Search Filter to extend website functionality.
- Applied code splitting techniques and lazy loading for images and pages, optimizing loading times by 50% and overall improved application performance.
- Developed web scraping scripts to extract data from various online sources for client projects.
- Conducted biweekly meetings with clients to ensure alignment, gather feedback, and make necessary adjustments to the website based on their preferences.
- Utilized project management software ClickUp to stay up to date with project progress and manage tasks efficiently.
- Conducted client consultations to gather requirements and provide regular progress updates, ensuring projects meet client expectations and deadlines.
- Created clean, easily navigable, and search-engine-friendly projects of varying complexity

2024-Present **MARRIOTT VACATION CLUB**
Virtual Marketing Tour Specialist

Remote,FL

- Executed comprehensive data entry tasks for Sales and Marketing, including updating 80+ database records daily, sending 200+ targeted emails weekly, and generating 10+ weekly performance charts, improving operational efficiency by 30%.
- Facilitated scheduling, rescheduling, and canceling of 400+ sales presentations weekly using Microsoft Teams, Ring Central, and Outlook; streamlined call management processes, enhancing client interaction and increasing presentation attendance rates by 50%
- Executed independent recording, calculation, and reporting of daily package sales and tour numbers to management, ensuring accuracy and timely updates without direct supervision.
- Efficiently input, retrieved, reconciled, and verified sales-related information, including commissions, leads, and third-party data, using sales process software, demonstrating a high level of self-management in a remote setting.

2023-Present **FULL STACK DEVELOPER STUDENT**

Remote, FL

Full Stack Developer

- Applied agile development methodologies, including sprint planning and daily stand-ups, to manage project timelines and deliverables.
- Developed and deployed multiple web applications using HTML5, CSS3, React, MongoDB, Express, Node.js, and JavaScript.
- Integrated third-party APIs, such as Google Maps and Open Weather, to enhance web application functionality.
- Implemented social media single-page application using MVC architecture and MySQL database, enhancing user interface and data retrieval efficiency.
- Conducted code reviews and pair programming sessions to improve code quality and team collaboration.
- Deployed web applications to cloud platforms such as Heroku, ensuring high availability and scalability.

PROJECTS

[Audio Visual Lighting Dictionary -In Progress](#) [GitHub](#)

- Currently developing a full-stack application using the MERN stack for a client in the AV industry. The project showcases a comprehensive reference guide for lighting spec comparisons across various categories, tailored to different events and requirements.

[Portfolio](#) [GitHub](#)

- Personal portfolio showcasing various projects and skills developed as a web developer through the MERN Stack

[PLAYFUL PIXELS](#) [GitHub](#)

- Full-stack web arcade featuring a memory games, Candy Crush, and Tic Tac Toe. Built with HTML5, CSS3, JavaScript, and MongoDB, Express.js, React.js, Node.js (MERN stack).

[5 Day Weather Forecast](#) [GitHub](#)

- Webpage displaying current weather and a 5-day forecast using HTML5, CSS3, JavaScript, and the Open Weather API.

EDUCATION

2023 **UNIVERSITY OF CENTRAL FLORIDA**

Remote, FL

Full Stack Web Development Certificate

- Condensed 2 years of intensive coding experience into an accelerated program.

2023 **SHECODES**

Remote, FL

Certificate of Front-End Web Development

2019 **ADVENTIST UNIVERSITY OF HEALTH SCIENCES**

Orlando, FL

A.S Occupational Therapy Assistant Degree

- Graduated magna cum laude

OTHER

- Languages: Spanish (native), English (Native)
